results compiled into one list, ranked by relevance. As in the print volumes, the information is organized into volumes, which contain articles comprised of sections (the primary organizational unit used on the site).

### American Speech-Language-Hearing Association (ASHA) Journals

Coverage: Varies Access: University of Utah Purchased By: Marriott Library Maximum Users: Varies by Journal

This ASHA journal archive does not include content from the last three years. Some content from those years may be available through the library catalog.

This database provides access to an archive of journals from the American Speech-Language-Hearing Association (ASHA). Some of the journals included are *The ASHA Leader*, *American Journal of Audiology*, *American Journal of Speech-Language Pathology*, *Journal of Speech, Language, and Hearing Research*, *Language, Speech, and Hearing Services in Schools*. The information in these journals is useful for speech-language pathologists, audiologists, and speech/language/hearing scientists in the United States and internationally.

### Anatomy.TV

Coverage: Varies Access: University of Utah Purchased By: Marriott Library Maximum Users: Unlimited

Anatomy.TV is a suite of 3D interactive models of human anatomy. Controls allow users to zoom, rotate and peel away layers from the models. MRIs, X-rays, live-action movies and animations are also included to supplement the computer-generated models.

### Annual Reviews

Coverage: Varies Access: University of Utah Purchased By: Marriott Library Maximum Users: Unlimited

Annual Reviews provides access to a collection of critical reviews written by a group of scientists each year. Annual Reviews volumes are published yearly for 40 focused disciplines within the biomedical, life, physical, and social sciences, including economics.

8. Using the links on the left side of the screen select the part of the database you want to use.

9. For help using this database click on the “User Guides” link. You can then select the guide to use.

The screenshot shows the ANATOMY.TV website's help page. The browser address bar displays [www.anatomy.tv/help.aspx](http://www.anatomy.tv/help.aspx). The page header includes the ANATOMY.TV logo, the text "POWERED BY PRIMAL PICTURES", and a "LOG OFF" button. A navigation menu contains links for Home, Tutorials, Resource Centre, News, User Guides, Faculty Area, and FAQ. The "User Guides" link is highlighted with a red box. Below the navigation menu, the "User guides" section is introduced with the text: "User guides provide a brief overview of the major features of a product and are a good starting point for new users." Two main sections are visible: "3D ATLAS + 3D HUMAN" and "3D ANATOMY AND PHYSIOLOGY". Each section has sub-sections for "Desktop version" and "iPad version", each accompanied by a thumbnail image of the software interface on the respective device. Two red arrows are overlaid on the page: one points from the text above to the "User Guides" link, and the other points from the text above to the "3D ATLAS + 3D HUMAN" section.
